South Plains Electric Cooperative Employees Donate \$17,500 to Volunteer Fire Departments

[LUBBOCK, TX] – South Plains Electric Cooperative employees sent 35 volunteer fire departments each a check for \$500, totaling a donation of \$17,500, to VFDs that serve our members.

The donation was made through South Plains Electric Cooperative's Operation Round Up Employee Fund. The Employee Fund was established in 2000 after employees saw the impact the Operation Round Up Member Fund had on the community. Employees contribute to the fund through payroll deductions, and a committee of representatives of each office decide how to disburse the money. The Employee Fund helps employees of South Plains Electric Cooperative when they encounter catastrophic events and they also make worthy donations to the communities we serve.
